Brand

Based on the technology we always research and develop, we are working hard to build a brand to produce better products than ourselves.

lockcanroll canseamer

Canseamer Delivers Food and Beverage's Taste and Flavor to Consumers Without Damage to Content, Receives No. 1 Brand Preference in 2022/ 2023 for Domestic-Produced Products with Patented Domestic Technology

DEULSAL-I camping

A resting place where you live with nature, [DEULSAL-I] is the pure Korean word for camping
Pursuing reasonable prices and good products with the intention of allowing outdoor wildness to permeate the living space as it is, always unchanged

Target

We aim to expand and operate stable service provision by developing various products and creating a stable distribution and sales structure.

Product development and production

Develop new products through product sourcing and production, and strengthen production according to strict quality control standards

Distribution and Affiliated Delivery

Supply of offline distribution networks through their own distribution lines and agency operations with medium and large brand affiliates
Expansion of delivery

Online and Marketing

Online sales and marketing partnerships to expand online market sales and co-prosperity marketing with customers

Strategy

It is a system that can be operated in one-stop from product development, distribution, and sales, and we are striving to develop products and strengthen our own competitiveness.

Product development and production

Competitive product development, technology investment, and production by holding corporate research documents with domestic technology

Logistics Storage

Optimized logistics system for customers, affordable price from storage to packing

Distribution and delivery

Ensuring responsibility for reliable delivery to customers
Selling a wide range of online and offline distribution products
Experience-based delivery

Sales and sales

Conduct customer-friendly marketing
Analytical sales to expand the market
Expanding self-sales and overseas market exports

Review

There's no limit to shilling!

100% Real/Direct Customers

I'm sure that the event and the customer's service appeal are clear!

It can be used in various forms, not drinks!

** 미당

락칸롤캔시머로 음료만 실링하다가 떡을 실링해 개업이벤트로 무료로 나눠 주니 효과가 100점이에요.

** 카페 온**

락칸롤캔시머로 실링 후 스티커 레터링을 하니깐 학원, 학교, 회사에서 단체 주문 폭주!

** 봐주는 언니오빠

밀키트매장입니다. 락칸롤 캔시머로 육수실링, 요거트실링 다방면으로 쓰임새가 많네요

**의 간식

반려동물 고급 수제 업체분사입니다. 용기 특별한걸 생각하다가 락칸롤 캔시머로 실링해서 전국 체인에 납품하니 반응이 폭발적이네요

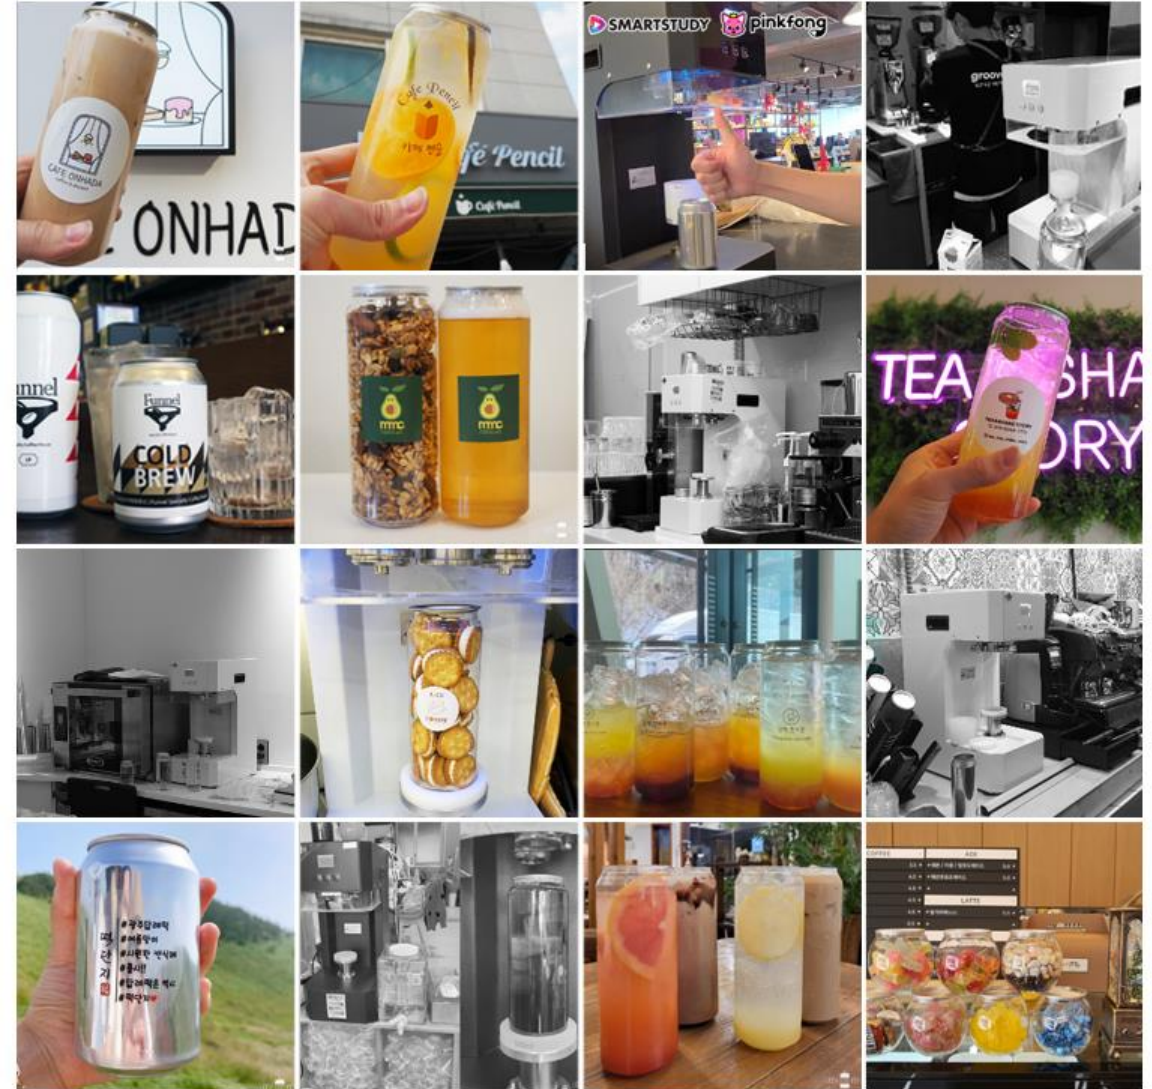

슬** 커피

주문이 많은 시간이 경해져있는 데요~실링해서 미리 음료를 만들어 놓으니 손님들이 알아서 가져가여

**쿡

단체품, 이바지용품 업체인데요. 락칸롤캔시머의 다양한 용기로 견과류 등을 온오프라인으로 진행 하니 매출이 팍팍 오르네요.
